

DECEMBER 2020

BEACON OF CARE NEWSLETTER

Hope to those in need

Vision 153 has assisted with food parcels and Grace church Ballito with Buckets of Hope for some of our indigent patients who are in dire need.

As 2020 draws to a close, Beacon of Care would like to wish our patients, families and care-givers a blessed advent season. We are so grateful to our donors who have supported us throughout this year and made it possible for us to continue offering excellent care to those suffering.

We are growing!

Beacon of Care has welcomed a community nurse, 2 physiotherapists and 1 occupational therapist to the team

WHAT'S AHEAD IN 2021

In 2021 we will be starting a Widowers Support Group to assist men in moving through their grief journey.

Look out for the Newly Diagnosed Cancer Group too! We are here to offer as much support as we possibly can!
